### DETAILED ACTION

This office action is responsive to amendment filed on 12/29/2008.

### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jie Tan on 03/13/2009.

The application has been amended as follows:

**In claim 1, insert after display (line 11) --- , wherein the visual server transmits the modified image to the client after predetermined duration of generating an image based upon the transmitted image, modifying data has occurred; and wherein the client transmits the image-modifying data to the visual server after a predetermined duration of generating image-modifying data ---.**

**In claim 7, insert after frame (line 16) --- , wherein the visual server transmits the modified image to the client after predetermined duration of generating an image based upon the transmitted image, modifying data has occurred; and wherein the client transmits the image-modifying data to the visual server after a predetermined duration of generating image-modifying data ---.**

**In claim 23, insert after compressed data (line 9) --- , wherein the step of transmitting the modified image from the visual server to the client as compressed data further comprising the step of transmitting the modified data image as a frame; wherein the visual server transmits the modified image to the client after predetermined duration of generating an image based upon the transmitted image, modifying data has occurred; and wherein the client transmits the image-modifying data to the visual server after a predetermined duration of generating image-modifying data ---.**

**Cancel claims 6, 8 – 22, and 26 – 27.**
